

Iceberg Leadership Institute®

Registration & General Information

Course Registration

Use this form to apply and register for your preferred Iceberg® Leadership workshops before the closing date.

Please send the form with appropriate payment as elected in the payment details below.

Applications are approved and allocated according to the date that this form and payment are received. Registration forms will not be accepted without payment and telephone or email bookings cannot be guaranteed.

Advice regarding the number of places remaining in any workshop does not guarantee you will be reserved a place in that event.

Confirmation of Registration

Prior to the commencement of the workshop, you will receive an acceptance email, a receipt and any other information relevant to the course. If you do not receive confirmation of your registration, please contact the Iceberg Institute at info@iceberginstitute.com.

Withdrawal from a Workshop

An applicant who wishes to withdraw from a course must do so in writing enclosing their workshop fee receipt. In most cases, applicants who withdraw more than 4 weeks prior to a workshop will receive a fee refund, less a \$100 administration fee. There will be no refund on withdrawal from a workshop if notification is received less than four weeks prior to the course commencement date. If a workshop is cancelled, applicants will receive a full refund of the course fee.

Cancellation of a Workshop

The Iceberg Institute reserves the right to cancel workshops for any reason including where there are an insufficient number of applicant registrations. Where this is the case, members will be refunded the registration cost in full. The Iceberg Institute will not be responsible for other associated expenses.

Money Back Guarantee

We offer a **100% Money Back Guarantee** to all workshop participants who attend and fully participate in the first day of the course and are unsatisfied with the content or experience for any reason. If a participant wishes to claim this entitlement, they need to confirm this with the Workshop Convener at the end of the first day so that arrangements can be made for the fee refund.

Venue and Catering

The venue for the workshops will be confirmed in writing after successful registration and payment has been received. Please advise separately as part of this registration of any dietary requirements as the workshop is fully catered.

Recording and Photography

Please note that no audio or visual recording or any photography will be permitted during the workshops. However, full course notes are provided with supplementary resources available. Computers are permitted.
